### Weekly Bulletin

27th March 2020

\* We hope you are all well and are slowly, like we are – trying to get into a new rhythm for the weeks ahead....we will continue to post our weekly bulletins with news and ideas.

- Our school Twitter feed will continue to post information about resources, news from the school, positive messages and photos. So, if you haven't already, follow our school page (link on the home page of the school website).
- The learning log details skills that can be done on an ongoing basis – I will then add 3 or 4 new activities (maths, literacy and topic) weekly (from next week).
- Please try not to stress about getting everything done – I know how hard it is working from home and juggling school work. Just do what you can....
- Try some shadow drawing outside with chalk, draw the signs of spring, build a mini bug hotel perhaps? You could even make and have a picnic in the garden!

Take Care all – stay safe,,,,,
