

Year 1

Dosbarth Un

Weekly Bulletin 8th May 2020

- * Hope you are all continuing to do well at home and are getting on well with our home learning – please do let me know if you are having any issues accessing the resources.
- Thank you all so much with engaging with the maths and literacy activities on Seesaw – new activities will be added on Monday the 11th as these activities are updated weekly. The Challenge activities grid (art, music, Welsh, digital, science etc.) are updated every two weeks and is on our Class webpage, under Curriculum overviews, along with any relevant pdf documents.
 - It really has been so lovely seeing all the activities on Seesaw, if you haven't already engaged, and are having problems accessing it please contact me and I'll try and help...
 - One of the activities across the Foundation Phase next week is asking the children to reflect on what they have enjoyed most over their year in school – can you please try and upload this one by the 15th, thank you....
 - Enjoy the bank holiday and it sounds like some of you are having VE Day front garden parties or doorstep discos, if you can - I'd love to hear about it or see photos!

Take Care, stay safe - Mrs Carr, Mrs Watt and Mrs Bowen.
