

Year 1 Weekly Bulletin

October 9th 2020

Croeso Welcome to Year 1

What we have been doing

In numeracy we have been exploring odd and even numbers. This included an outdoor egg hunt where we sorted the numbered eggs into groups of odd and even. We have also made odd and even ladybirds and recorded odd and even numbers in our books.

We used mind maps to recall facts we found about who lived in the log pile house. We have also recorded our facts using Chatterpix.

We read the story Superworm and wrote words to describe one of the characters.

We have drawn a map of our school from a bird's-eye view.

Reading books

Thank you everyone for sending books on the designated days, if you are unsure of your child's designated home reading day please get in touch.

Please remember to return any books that you may still have at home from last year.

Red book bags will be sent home on Monday, please keep these at home from now on.

Home Learning

Practice quick recall of doubles up to 20- please see seesaw.

Have a great weekend!

Mrs Maidment

Miss Fitchie

Mrs Cotterell
