## Our highlights

This week Year 6 enjoyed their residential to Llangrannog. They were absolutely amazing role models and pushed themselves to overcome challenges and conquer fears - we are so proud of all of them! They had 3 jam packed days of activities, including skiing, tobogganing, go karts, horse riding and archery! They were very tired at the end! A big thank you to Miss Jones, Mrs Carr, Mrs Adams and Mrs Millard for supporting the children on their residential - these experiences wouldn't be possible without them giving up their time.

We've had some fantastic visits this week too! Year 4 visited Techniquet and had a brilliant time exploring the activities. Year 4 and 5 visited Holy Cross to take part in an Experience Easter workshop. Year 5 also visited Cowbridge Library where they met the author Rebecca John. They were taken through a guided writing exercise to produce amazing stories! They were all so inspired.

Eco Club organised a fantastic 'swap shop' and the children had the opportunity to take home a pre-loved toy. The aim of the shop was to promote the importance of recycling and sustainability.

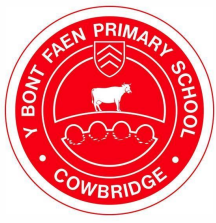

Nursery have been thinking and talking about their fabulous mums and families. Reception have been exploring the work of Welsh artist Ruth Jen Evans, looking at her prints inspired by nature and Welsh weaving. Using a variety of tools they created our own prints, experimenting with layering colors, shapes, and lines.

Year 1 have have been problem solving using equipment. Their first challenge was to make their initials using counters trying to find out the least amount of counters they could use. Year 2 have been exploring electricity and had lots of fun creating simple circuits to make a lightbulb light up! Year 3 led the school in a Welsh assembly on the artist Kyle Legall where they discussed him as one of their champions of diversity and shared some of their art work.
