Weekly highlights

What a fantastic couple of weeks we have had. It was brilliant to see so many of you at Sports Day - I am sure you will agree that it was a wonderful event and all the children thoroughly enjoyed themselves. A big thank you to Year 6 and Miss Jones for ensuring the smooth running of the event! Thank you too, to Mrs Heald for recording the scores and Mrs Millard for her commentary! Of course, a huge thank you to all the staff for keeping the children hydrated and cool. And another big thank you to the PTA for setting with the atmosphere with the snacks and refreshments.

It was wonderful to see so many of you attend our Sharing Event - the children are always so proud of their learning and it is a wonderful opportunity to see how they have progressed since the start of the year.

There were lots of excited faces on Friday when the Year 6 children returned from the transition day at Cowbridge Comprehensive School.

This week has been a busy week for our staff too! Mrs Maidment and Mrs Millard have been working so hard all year on an anti-racism action research project, with the Vale of Glamorgan. They presented their research actions and findings yesterday in front of a large audience!

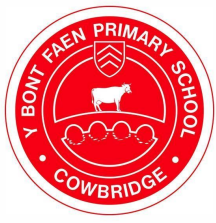

This week in Nursery the children have enjoyed counting and sorting pirate treasure in the sand tray. Year 1 the children have been looking at foxes and finding facts about them to create their own fact file in their writing journey books. Year 2 have been inspired to make water butts for their outside area. They are reusing the bottles to help them reduce their water waste when watering the plants.

Year 3 have been role playing a given fable and hot seating a character from a fable. Year 5 have written some fantastic twisted fairytales and created imaginative front covers for their story using Adobe Express. Year 6 have been 'wow-ing' us all with their dress rehearsal performances of A Midsummer Night's Dream!
